

## **Boys Gymnastics Competitive Team Coach**

Cruces Gymnastics Academy's boys team trains athletes in the Junior National program. Our team currently includes gymnasts competing in levels 3 through 9. Level 3-6 gymnasts work to perfect compulsory J.N. programs and develop their mastery of skills. Level 7+ gymnasts compete in the Optionals program, where they continually refine and build their skills executing original routines.

### **Requirements:**

- Have a passion for working with young children.
- Self-motivated and high energy level.
- Ability to relate and communicate with children, parents, and co-workers.
- Background working with children is preferred.
- Background in fitness or gymnastics is a plus.
- Flexible outlook and "can do" attitude.
- Good organization and time management skills.
- Able to pass state and federal background checks.
- Afternoon/evening availability Mon-Fri and morning/afternoon availability on Saturday.

### **Coaching Duties include:**

- Interacting with children, parents, and other coaches on a daily basis.
- Teaching and spotting gymnastics skills for safety and progress.
- Teaching and conducting classes in an organized, structured, and fun manner.
- Demonstrating an outgoing and energetic personality during every class.
- Being on time and prepared for every class. This includes time for class set up, tear down, and time to briefly visit with parents after class.
- Creating fun and age-appropriate lesson plans.
- Preparing gymnasts for competition.

### **Commitment:**

This position is at least 15-18 hours per week and may increase depending on extra events and competition. Existing classes take place Mon-Fri between the hours of 4:30 PM and 8:00 PM and Saturday mornings 9:00am to 12:00pm.

### **Compensation/Benefits:**

This job is paid at an hourly rate which is based on the qualifications of the applicant. Benefits to coaching at CGA include:

- Use of facility for private lessons and for personal workout.
- An employee discount on tuition if your own child is enrolled in classes at CGA.
- The opportunity to work with an amazing team of coaches who strive to build a positive atmosphere for their students to learn gymnastics.
